### MESSAGE FROM PRINCIPAL

Development, progress & prosperity of a nation lie in the system of education that it follows. The remarkable growth of our country in science, technology, economy, industry and other areas endorses the fact that the education system developed and practiced by us is at par with the best curricula in the world.

### OUR VISION & MISSION

International Indian School, Taif will be a center of Excellence that develops and nurtures each of its students to the fullest potential in all walks of life.
